

Hello,

My name is Ashley Noel and I live in Southern Ohio. Throughout my school years, I have participated in girls' soccer and basketball. I was also a member of our high school chorus and Bible Club. God has blessed me by placing me with an amazing family that I enjoy spending time with, especially my young nieces and nephews.

The past two summers I have served on the summer staff at Scioto Hills Christian Camp and plan to again next year. I consider the camp my second home and that is where I have met some of my dearest friends. I am also a member of Minford Bible Baptist Church and active in the church youth group. In my free time I enjoy taking pictures, playing sports, and hanging out with friends. I am hoping to attend Anderson University in South Carolina where I would pursue my degree in Secondary Education. My desire is to become a History teacher.

*I cannot tell you how excited I was to learn that I was being awarded a scholarship from your organization. Thank you Used Truck Association for your generous gifts that are making it possible for students to further their educational endeavors and to achieve their career goals. God bless you.*
