

Amanda Kent Bio for UTA 2017 Elections

Amanda Kent has served on the Board of Directors for the past three years; two of them on the Executive Board as Secretary. Amanda has Co-Chaired on various committees such as Marketing/Website, Training, Elections, and has served on the Convention Committee all three years. She works closely with the board members, Sentry Management, and the membership to bring out the best in our association making it an industry leader.

Amanda's professional background includes twenty plus years in Remarketing, Auction Operations, Used Truck Finance, and the Extended Service industry. She believes that success comes from serving the customer's needs. She feels it is the same with serving the Used Truck Association as a board member. Listening to the needs of the used truck industry and providing the needed information that leads to success for its member's is key, as is being solution based in her thinking.

Amanda strives to make a difference in this industry that she has come to love being a part of. She looks to the industry icons as mentors to teach these next generations not only where we came from but to help navigate us going forward. Amanda will continue to serve this association with the desire to grow it to be the place all used truck dealers turn for networking, education, and most of all friendship.
