

I grew up on a farm in Utah and my dad was a truck driver for Utah County. I have grown up around trucks my whole life. I served a two year LDS mission in the Philippines which was one of the greatest experiences of my life. I went to college at BYU and graduated with a degree in Business Management with an emphasis in Supply Chain Management and Logistics. Out of college I started working for Boeing in Seattle Washington on the F-22 Fighter Jet program. While working for Boeing I got my MBA from the University of Utah. In fall of 2010 I left Boeing and started my career in trucking. I started as an outside sales manager for RWC International LTD. After about 10 months in the position I was moved into Used Trucks and fell in love with the industry. In 2012 I was promoted to Wholesale General Manager for the entire RWC Group organization. In 2016 I was the Dealer Group Chairman for the UTA. I am currently a member of the Dealer Group and the Young Members Group. I am the husband to a beautiful wife and 4 amazing boys! I am very blessed! I have enjoyed meeting and building friendships with several people in the Used Truck Community and look forward to meeting new people and excited about my membership in the Used Truck Association.
