

Joe is the Director of Used Truck Sales for Doggett Freightliner of South Texas and has more than 10 years of experience in the Commercial Trucking Industry.

He began his career in 2007 as a Used Truck Salesman for Kenworth in Springfield, Missouri where he later advanced to become Used Truck Manager in 2012.

Joe accepted his current position in 2015 with Doggett Freightliner and relocated to San Antonio, Texas. With his love for hunting, fishing and warm winters, Texas seemed like a natural fit. He oversees used truck operations and manages four successful sales teams in San Antonio, El Paso, Pharr and Laredo. In addition, Joe has been a member of the Used Truck Association since 2012 and is gratefully honored to be nominated for UTA Individual Member of the Year.

Aside from selling used trucks, Joe enjoys racing anything on two-wheels and spending time with his wife. They are excited to meet their first child in January!
