

Official Nomination Form

The UTA Dealer Group is proud to honor individuals who stand out in the industry and embrace the UTA Code of Ethics. There are three categories: Original Equipment Manufacturer (OEM), Independent Truck Dealer (Non-OEM), and North American – Vendor/Supplier.

These Awards have made a positive and powerful impact on our Membership. Those who have received this award as well as all nominees have paid that accolade forward. They have done this by highlighting their companies and their role as UTA members. We expect that same positive impact to continue growing in the years to come.

Additional Criteria to be considered:

- Current paid UTA Member
- UTA member for more than 2 years
- In business for at least 5 years
- Cannot be a current UTA Board Member
- Attend UTA Convention
- May only receive once in 5 years

You may nominate multiple dealers/vendors.

Completed nomination form must be received by Friday, September 14, 2018.
