

Crystal O'Dwyer

Crystal received her B.A. degree from the University of Kansas in 1995 and following graduation began working for Sprint Corporation and proverbially climbing the corporate ladder throughout the various different business departments utilizing various skill sets associated with project management and marketing/sales. Throughout the time spent at Sprint, Crystal received an upward advancement of both responsibilities and compensation on a yearly basis based upon exceeding expectations and positive performance levels. After taking a break to have and stay home with her four children, she came back to the full time work force to partner up as a co-owner of J&J Drive-Away and J&J Logistics in 2009. Since beginning her full time work in the transportation industry, Crystal has seen an upward growth year over year financially as well as increased relationships with customers and driver capacity across all levels of skill sets and authorities. She has sponsored and attended all UTA annual conventions and activities and J&J has won 2 out of 3 Best at Expo Awards for their Convention Booth Presentations and participation. Additionally, J&J has had several employees over the years be nominated individually for the Vendor of the Year Award. Crystal O'Dwyer is honored to be acknowledged as a candidate for a position on the UTA board and feels confident that with her vast amount of marketing and sales experience coupled with her commitment to excellence and the UTA code of ethics, she will bring a unique voice and passion to execute and exceed the goals and expectations that are set forth by any committee she may be party to.
