

Bio- Hal Dickson

My name is Hal Dickson and I have been in the trucking industry for over 30 years, and most of those years at Mack & Volvo Trucks. Over my career, I have been involved in sales of new and used Class 8 trucks, as well as Medium duty truck sales. My current job is Regional Remarketing Manager for Mack & Volvo Trucks, where I have to opportunity to work with Dealers and support their used truck needs.

One thing I have enjoyed about our industry is that, in used trucks, we're not competitors "per se" with each other, but rather we buy and sell trucks to each other. That enables us to have friends and business relationships across the country and across truck brands. It's really quite unique to our industry and something that I really appreciate about being in used trucks.

I became a member of the Used Truck Association (UTA) as soon as I got involved in used trucks in 2003 and I've served on the UTA Board on and off, for a number of years. As a Board member, I have been on both the Medium Duty and Convention Committees, with most of the time on the Convention Committee, either as a Board member or UTA volunteer

I've been Chairman and/or Co-Chair of a number of UTA conventions and had the opportunity to work with a great group of people in a joint effort to put on conventions that get better every year. This year, I'm Chairman of the convention at the Lowes Sapphire Falls Hotel & Resort at Universal Studios in Orlando. This will probably be the biggest UTA convention ever as all signs point towards a blockbuster, so make sure you're there!

On a personal note, I'm married to a wonderful and beautiful woman who my friends would agree that I definitely "married up". Our Christian faith is important to us, as well as our family and the friends we've made along the way.

In closing, the UTA is a unique organization where we can all meet, greet & succeed and that's what makes our organization so special and I'm proud to be a member of the UTA.

If I'm re-elected to the UTA Board, I believe that with my experience, I will make a positive contribution to the continued growth and development of our organization and I would appreciate your support.

Thank you and regards,

Hal
