

Name : Michael Reddaway

Age : 47

Current Position : Fleet Wholesale Manager Ryder System, Inc.

Began working for Ryder System, Inc. in 1990 as Rental Manager Trainee in Exeter , United Kingdom and held many roles within that side of the organization for close to Nine Years before transferring to the Asset Management side of Ryder as the Used Truck / Asset Manager for the South West of England and South Wales looking after the disposal of vehicles from nine Rental and Lease locations in that region which I covered for close to six years.

In January 2006 I transferred within Ryder across to the US operation as the Vehicle Sales Center Manager for the Atlanta location, moving with my wife Sarah and my two daughters Charlotte and Jasmine who were 8 and 6 at the time .

And Finally In April 2010 I took on the role as the Fleet Wholesale Manager for Ryder in the US dealing with the Wholesale / Export of used equipment to dealers and foreign buyers reporting directly to the Ryder Headquarters in Miami Florida .
