

Steve Sevigny has been involved with trucks and heavy duty equipment since he was 8 years old. He started working in his family's truck repair shop, Sevigny Automotive, in Wayland, MI. After graduating high school, Steve started Forever Young Auto and Truck Reconditioning. There, he detailed trucks for the dealers and fleets in the West Michigan area. After 3 years in business, Steve was offered a used truck sales opportunity with M&K Quality Truck Sales. Steve excelled as a 21 year old retail salesman and went on to work for Freightliner of Grand Rapids and Duthler Truck Center. In 2004, Steve and his co-worker, Todd Sparpana, decided to take a leap of faith and start their own dealership in Grand Rapids, MI. They started Grand Rapids Truck Center, LLC and grew the business with adding locations in Springfield, MO and Newnan, GA, along with a trucking company, S&S Transportation. In 2012, Steve sold his portions of the various businesses and decided to stay in the south and start 7E Sales, LLC with his wife, Holli. They have grown the business over the last 6 years to provide a full spectrum of services, include wholesale and retail used truck sales, full service and parts, detail shop, body shop and a wrecker/drive away service.

Steve and Holli are high school sweethearts who have been together for 26 years and married for 16. They have two children - Reese and Caleb - who keep them incredibly busy with their competition cheer, marching band, lacrosse, and golf schedules. When not on the road searching for new opportunities, the family enjoys traveling and making memories.
