

Kelly worked as a Director of Nursing for many years prior to beginning her career with J&J Drive Away, Inc. Her experience with caring for people and their needs brought a unique and unsurpassed ability to offer the best services and communication in the drive away industry. Kelly began her career with J&J Drive Away, Inc in May of 2010 and continues to work hard to maintain the UTA Code of Ethics. She has attended all UTA annual conventions since 2010 and takes pride in participating in J&J's booth at the vendor expo each year to create a unique and fun way to interact with current and prospective customers. Kelly is honored to be acknowledged and nominated for such a prestigious award within our industry. Kelly looks forward to many more years of serving our industry and believes there are many great years to come.
