

Rodney Stephens has been in the Used Truck Industry since October of 2006, starting in retail sales. He earned the Eagle award on multiple occasions with MHC Kenworth for outstanding sales. Rodney transitioned to wholesale/retail sales for Lee-Smith, Inc., a locally owned family International, Ford and Isuzu dealer, in April of 2015 and now serves as the Used Truck Manager. Lee-Smith has been in business for over 75 years serving the commercial truck needs of the Chattanooga area and specializes in taking care of customers and treating them like family.

Rodney is very active in attending classes taught by fellow UTA members such as Steve "Bear" Nadolson in the study of Used Truck Management as well as Advanced Used Truck Appraisal in 2016 and 2017. He also attended the UTA sponsored George Papp's Managing for Success Class in 2018

Rodney and his wife Sherry love nothing better than hanging out with their grandbabies Gideon, Jaxon and Hunter. Rodney is also active in Veterans organizations such as the Veterans of Foreign Wars and American Legion as he is a United States Army Veteran having served in Desert Shield/Desert Storm, Germany and South Korea

In his spare time, Rodney loves to be on the water fishing and just enjoying the great outdoors as well as cheering on those Tennessee Volunteers!
