

**Victoria Lombardo**

My name is Victoria Lombardo, and I am a Senior Marketing Representative for Freedom Truck Finance. I currently live in Detroit, Michigan, and enjoy videography as a hobby. I have been with Freedom since 2017 and joined UTA in June of 2018. My job at Freedom is very rewarding because we help dealerships increase their bottom line by supporting low credit customers and giving them another chance when no one else can. Since becoming a member of UTA, I have joined the Young Member Committee and am excited to be recently nominated as the Chair Officer. UTA has sparked a passion for me in the trucking industry, and I look forward to continuing my career and growing as a member of the UTA organization.
