

Joe Feco

Present Position: Legacy Truck Sales, Co-Owner

UTA Experience: Joe has been a member of the Used Truck Association since 2012 and is honored to be nominated for the UTA Board of Directors.

Professional Background

Joe Feco began his career in 2007 as a Used Truck Salesman for MHC Kenworth in Springfield, MO. By 2012 he was promoted to Used Truck Manager. MHC provided Joe with a great knowledge of the industry and laid an excellent foundation for Joe to continue his growth in the used truck industry.

Joe left his career with MHC in 2015 when he accepted a position with a Freightliner dealer group, and relocated to San Antonio, TX. With his love of hunting, fishing, and warm winters, Texas seemed like a natural fit. He oversaw used truck operations and managed seven successful sales teams in Texas (San Antonio, El Paso, Pharr and Laredo) and Arkansas (North Little Rock, Van Buren and Springdale).

In 2019, Joe partnered with another industry professional, opened Legacy Truck Sales, and moved his family to Dallas, TX. Legacy Truck Sales is an independent used truck dealer concentrating on both retail and wholesale truck sales with plans for expansion in the coming years.

Joe has 13 years of experience in the Commercial Trucking Industry and he never sees himself leaving this exciting industry. He has made a network of friends among the many industry professionals across the country, and he feels fortunate to spend his time with this great group of individuals.

Personal Background

Aside from selling used trucks, Joe enjoys racing anything on two-wheels and spending time with his wife (Tori) and 2 ½ year old Son (Maverick).
