Personal Information:

- Married to Stan Bloom
- I've been privileged to raise three wonderful children:
 - Daughter - Kelsey; Senior Project Manager with Syneos
 - Son - Tyler; Area Manager with Amazon
 - Bonus Son - Skyler; Director of Investor Relations & Corporate Strategy with ADMA

Along the way, I've been a chronic volunteer. Whether I was helping in the past with the PTO or Chairing Project Graduation, or more recently stuffing bags at the UTA Convention for all the members or "Checking In" attendees at the UTA golf tournament/reception, I've found that the journey is much more meaningful when one pitches in to help those around them.
