

Mike Gardecki – Board Nominee 2021

Reading, PA

610-413-8704

Buyer/Wholesale with M&K Truck Centers

Acquiring used truck assets for twenty M&K locations, both retail and wholesale sales.

Experienced and established Used Truck Manager, Buyer & Wholesaler with over 26 years in the commercial used truck sales industry. Results-oriented professional with specialties including asset management, forecasting, strategy development, remarketing, positioning, and acquisition of used trucks.

Proven success in establishing and growing market share, creating marketing strategies, developing effective advertising campaigns, and building and maintaining relationships with nationwide dealers.

- Current member of the Used Truck Association's Development Group. Currently acting recorder of the committee's meeting minutes.
- Career long member of the UTA.

I'm a driven individual in the health and fitness world, as well as the used truck world, with bicycle distance riding, both road and gravel, at the top of my list, along with weight training and overall physical fitness.

I am asking for your consideration and vote for one of the UTA's Board of Director's positions. I've been and continue to be a strong believer in the UTA's Code of Ethics & Mission Statement. I have witnessed exponential growth from the early years of the UTA and I would like the opportunity to use my years of experience and management to give back to the Used Truck Association, and strive for further growth and expansion.
